

# Massive Exposure PLUS LeadRouter™

*It's like we have your buyer on speed dial!*

## LeadRouter™

When an online home buyer shows interest in your property, you want your Sales Associate to respond with speed and professionalism. Our customer response system, known as LeadRouter™, offers patented breakthrough technology that helps our Sales Associates do just that.

In a matter of seconds, potential buyer inquiries will go directly to your Sales Associate's cell phone and e-mail for an immediate response. Your Sales Associate contacts the consumer directly to schedule a showing or provide additional details on the unique features of your home.

*Now that's service!*
